MARY ANNE FELBY

People Rally To Help Child

Mary Anne Felby would have started third grade at Gidley Elementary School in El Monte this month — instead, she is hospitalized in Galveston, Texas, recovering from second and third degree burns over 40 per cent of her body.

Mary Anne and her mother, Mrs. Robert Felby of Halifax Road, Temple City, left last week on an Air Force jet for the Shriners Burn Institute in Galveston. Robert Felby, a past president of the Arcadia Jaycees, remained at home, where he is recovering from severe hand burns received when he attempted to pull Mary Anne and his oldest daughter Cathy from their flaming tent Aug. 25. The family was on a camping outing at Lake Casitas in Ventura County with the Arcadia Jaycees.

Cathy, 9, died Sept. 5 at County-USC Burn Cener from cardiac arrest after suffering burns over 70 per cent of her body. Mary Anne was held at the center until her condition stabilized enough to permit the move to the more extensive burn center in Galveston.

Felby is trying to keep his family together long-distance while his wife stays by Mary Anne's bedside in Texas. He is unable to return to his construction job because of his injuries, and is now busy cooking and looking after his two younger children, Joyce Lynn 4, and Robert, 2, who are still stunned by the Aug. 25 events.

"It's hard on our family being separated like this," Felby said last week. "We've always been so close. I plan to go to Texas after Mary Anne's first operation, just in case."

The tent in which Cathy and Mary Anne were sleeping on the fatal trip was labeled "fireproof," Felby said. He plans to investigate state fireproofing laws to try to prevent other children from similar fates. A catalytic heater was presumed to have started the fire, but Felby will never know for certain.

Mary Anne may be in the Galveston center as long as two years. She received no burns on her face, but will need skin grafts and plastic surgery on her right foot, arm and back. Arcadia Jaycees are paying for Mrs. Felby's trip and accommodations during her stay in Galveston, but no one knows how long that stay will be.

Felby expressed his gratitude for all the members of Arcadia and Temple City Jaycees who have rallied to assist the family. Don Fandry of the Arcadia Jaycees took up the initial collection to help pay the County-USC Medical Center bills, and may be contacted for additional contributions to the Felby Trust Fund at 447-6962. The Arcadia Rotary and Optimist Clubs each contributed \$100 and held an exhibition softball game at Bonita Park school Sept. 11 to raise money for the enormous medical bills.

Treatments at the Texas burn center, which is maintained by the Shriners of North America, are provided free of charge but would cost approximately \$60,000-\$100,000 in a private institution. Thomas Harris of Arcadia was responsible for getting Mary Anne admitted to the center.

Arrangements to fly Mary Anne and her mother in an Air Force jet to Texas were made by Rep. John Rousselot (R-24) of San Marino. The Peace Officers Shrine Club of Al Malaikah is paying the Air Force for the flight. The Michillinda Presbyterian Church, which the Felbys attend, will pay for Felby's visits to the Texas hospital.

Other local clubs, including the Arcadia Woman's Club and Woman's Club Juniors and the Pasadena and Monrovia Jaycees, have also started funds for Mary Anne.

One family's Thanksgiving

A proclamation

THE WHITE HOUSE
THANKSGIVING DAY, 1973
BY THE PRESIDENT OF THE
UNITED STATES OF AMERICA
A PROCLAMATION

In the first Thanksgiving, men affirmed his determination to live in God's grace and to act in God's will on the shores of a new land of promise. In this Thanksgiving season, we reaffirm that determination.

Time has not dimmed nor circumstance diminished the need for God's hand in all that America may justly endeavor. In times of trial and of triumph that single truth reasserts itself, and a people who have never bowed before men go gladly to their knees in submission to divine power and in thanks for divine sustenance.

On this Thanksgiving Day we mark the tenth anniversary of the tragic death of President John F. Kennedy. As we give thanks for the bounty and goodness of our land, therefore, let us also pause to reflect on President Kennedy's contributions to the life of this nation we love so dearly.

Those who celebrated the first Thanksgiving had endured hardship and loss but they kept alive their hope and their faith. Throughout our history, each generation has endured hardship and loss, but our trust and faith in God's providence has remained undiminished. At this first Thanksgiving in 12 years in which the United States will have been at peace, we see that God's grace also remains undiminished. For this we give thanks.

Now, therefore, I, Richard Nixon, President of the United States of America, in accordance with the wishes of the Congress as expressed in Section 6103 of Title 5 of the United States Code, do hereby proclaim Thursday, November 22, 1973, as a day of national thanksgiving, and concurrently, a day of prayer for the memory of John F. Kennedy. Let all Americans unite on this day, giving thanks for the manifold blessings vouchsafed our people, and inviting all of those less fortunate than ourselves to show in those blessings in Cod's name, for his calcand for our people.

Mary Anne comes home for holiday

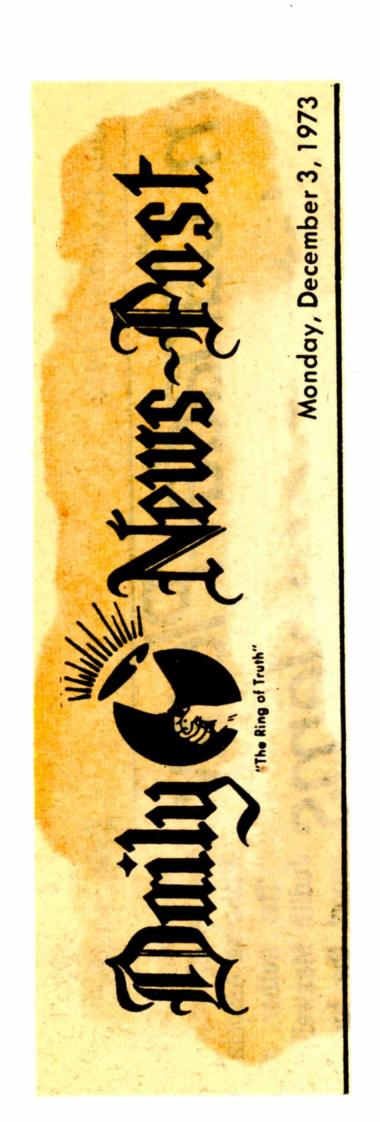

By MARILYN MORRISON Staff writer

Thanksgiving Day began for the Bob Felby family of Temple City, Saturday, at Los Angeles International Airport as toddler Robert Felby ran to the wheelchair carrying his sister calling out, "Mary Anne, Mary Anne."

"It wouldn't matter if we ate beans and weiners for Thanksgiving," says grateful father Bob, "we're together, we're a family again and that does matter." Family includes mother Karen, father Bob, Mary Anne, 8, Joyce 4, and Robert 2.

Mary Anne received second and third degree burns on 40 per cent of her body during a fire that swept through a tent during an Arcadia Jaycee family camping trip to Lake Casitas, Aug. 25. Her sister, Kathy 9, with 65 per cent burns died a week later at County-USC Medical Center.

Youth project

McLaren Hall residents aided by Arcadia Juniors

Since late summer members of the Arcadia Junior Woman's Club, under the leadership of Mrs. Gerald Martin, Junior youth chairman, have been taking girls from McLaren Hall, El Monte on outings and providing special items for them.

McLaren Hall is one of the temporary county homes for juveniles who have been neglected or abused by parents or guardians.

The Juniors took a small group, with supervisors from the hall to the beach in August. They have given make-up

demonstrations, classes in macrame, baking lessons and donated clothes for the youngsters.

The final endeavor, prior to the holidays, was the opportunity for 15 young girls to have their hair styled and cut. Donating his Room at the Top Salon, 1110 S. Baldwin, Juan Padilla and his staff worked with each girl individually.

The Juniors related that clothing is needed for boys and girls from 18 months to 18 years. Anyone wishing to donate same may contact Mrs. Martin, 447-2848 for pick up and delivery to McLaren Hall.

Rabies Clinic Scheduled At County Park July 22

As a service to pet owners of the area, the Arcadia Junior Woman's Club, in cooperation with the Southern California Veterinary Medical Association, are sponsoring a rabies vaccination clinic. This clinic is coordinated by the Los Angeles County Pound Department.

The clinic will be held at Arcadia County Park, 405 South Santa Anita Avenue, from 7 p.m. to 8:30 p.m., on Thursday, July 22.

The vaccine offers immunity

against rabies for not less than two years. The cost will be \$1.50 per animal.

As an extra service, those who are interested may purchase dog licenses for \$4.

Residents were urged to take advantage of the opportunity to have their pets protected against rabies by the Juniors. Because of the current outbreak of the disease in the Southern Counties of the state, they said, we cannot overemphasize the importance of this vaccination program.
